

# Drive & Greet Event

at Kabayan Hall

## What is Drive & Greet?

Unlike a normal party where everyone comes at the same time, the celebrant and his/her family will invite families and friends to come and greet them in random. The celebrant and his/her immediate family will stay in the venue and their invited family/friends will get out of their car and will greet them, one group at a time. They will have time to exchange gifts and take pictures to remember their special occasion.

## Why at Kabayan Hall?

There are families who want to do a drive-by party but don't have a place large enough to do it. That's why Kabayan Hall is here to give these families a chance to have this once in a lifetime celebration. Our space is large enough to decorate and have an atmosphere like a regular party. While social distancing and keeping everyone safe.
